The 41st Annual Morning Star Gold Classic benefits the special needs children of the Morning Star School. Established in 1960, the Morning Star School is a not-for-profit school that serves mentally challenged children through the teaching of life skills and provides for their academic, social, and spiritual development. In the past 50 years, the school has helped over 1500 students in the Central Florida area reach their full potential. The annual golf tournament continues to be a major source of income with 100% of tournament proceeds going directly to the school.
